

How to Volunteer through The Pixie List

Thank you so much for your interest in posting on The Pixie List. **What is “The Pixie List”?** The Pixie List is an online “classified” listing for community members, Girl Scouts and Girl Scout volunteers in the Washington DC Area. Offer your services. Find a helping hand. Or gather materials needed for a Girl Scout project. This open source format helps people connect with others throughout the Girl Scout Council of the Nation’s Capital. <http://www.thepixielist.com/>

We expect parents, guardians and leaders to screen girl participation on this site.

In the description section we have found the following format to work best for our members:

Your Name and Specialty: Please list your name and your position

Program Name: List if you would like to help girls earn their Innovation Badges, or the Intellectual Property Patch. The Badges and Patch align with one another so consider helping girls earn both.

Grade Levels: List the grade levels you would like to help with (Daisy K-1st grade, Brownie 2nd-3rd grade, Junior 4th-5th grade, Cadette 6th-8th grade, Senior 9th-10th grade, Ambassador 11th-12th grade).

Description: Let leaders know your involvement with IP and how you would like to help troops. Do you want to be a guest speaker or help with hands-on activities?

Where: Where would you prefer to help troops? Would you like to look for a troop in your city, or are you willing to go farther in the council area.

Availability: Specific dates and times, date restrictions, or general dates such as "Tuesdays" help leaders as they are looking for someone to speak or help at troop meetings. You are always welcome to simply put, "Contact to schedule."

Contact: We suggest listing your e-mail so troop members can contact you directly.

Once you have placed your ad you will receive a confirmation e-mail of your ad. Please save this e-mail as it has your code to edit in the future. Any interested leaders or volunteers will be able to contact you directly for information.

Please note:

- We strongly suggest that you become a Girl Scout member for the girl's safety and so that you are covered by Girl Scout insurance.

- Do you want to review the Innovation Badges and IP Patch before working with the girls? A link to the badges can be found here: <https://drive.google.com/folderview?id=0B1j2QNUyfJJgM1BTRDNfNU1nRXc&usp=sharing> The IP Patch can be found here: <http://www.gscnc.org/intellectualpropertypatch.html>
